CATHEDRAL CITY OF COLOGNE

The spires of the cathedral tower high above the oldest city in Germany with its numerous culturally historic treasures, world-renowned museums and active arts and media culture.

Whether it's street music on Hohe Straße, a gala at the modern opera house, pavement painting on the Domplatte, a chocoholic adventure at the Chocolate Museum, the Ringfest festival on the boulevard or the city carnival - all converge in Cologne to form a lively work of art. Cologne is a cosmopolitan metropolis with over one million inhabitants which, despite its size, has never lost its familiar character.

Cologne sees itself as a city for everyone. Here, people meet for a beer, a chat or simply to have fun. Life in Cologne is uncomplicated and lively, and the openness and cosmopolitan attitude of its locals are legendary.

Discover Cologne Cathedral, the world-famous landmark of the city, which, although first designed in 1164, was not completed until 1880. Experience Cologne's cultural life through its multifaceted museums, 19 theatres and 12 Romanic churches.

There are also plenty of outdoor sights to be enjoyed. The Flora and botanic garden are inspiring examples of historical landscape gardening, while the Rhinepark and Volksgarten are perfect places to take a stroll.

The Tanzbrunnen, a culture and leisure venue built in 1928, and the Rhine terraces offer a lot of open-air space for large scale events. The Cologne Beach Club, a 3,500m² fine sandy beach on the banks of the Rhine, equipped with numerous bars, lounges, tents, hammocks and a spacious sun-bathing area, is the perfect place to relax and unwind.

The 5,000m² Palladium, within a stone's throw of the hotel, is another unique event location, and the Gürzenich, a gothic building dating back to 1447, offers space for events and festivities for up to 1,338 guests.
